

ASEAN Member States (AMS) Government Artificial Intelligence (AI) Readiness Index Rankings (2019-2022)

	2019	2020	2021	2022
Brunei	121	49	57	67
Cambodia	125	128	119	132
Indonesia	57	62	47	43
Lao PDR	137	Na	114	129
Malaysia	22	28	36	29
Myanmar	159	131	132	126
Philippines	50	74	71	54
Singapore	1	6	2	2
Thailand	56	60	59	31
Vietnam	70	76	62	55

BRUNEI DARUSSALAM

- Wawasan Brunei 2035
- E-Government National Centre (EGNC)
- Authority for Info-Communication Technology Industry of Brunei Darussalam (AITI) Strategic Plan 2020 – 2025

INDONESIA

- AI ethics guidance (on progress)*
- Presidential regulation AI National Strategy (on progress)*
- Making Indonesia 4.0 (2018)

CAMBODIA

- E-Commerce Law
- Laws on Telecommunications
- Digital Government Committee
- Cambodia Digital Economy and Society Policy Framework 2021-2035
- Digital Priority Actions (under Digital Government Committee)

MALAYSIA

- Malaysia National Artificial Intelligence Roadmap 2021-2025 (AI-RMAP)
- Malaysian Artificial Intelligence (AI) Roadmap Survey (2021)

MYANMAR

- Myanmar Digital Government Master Plan (2023-2030) (in progress)*

LAO PDR

- National Strategy of AI (researching/on progress)
- Digital Transformation Strategies (2021-2030)
- 20-Year National Digital Economy Development Visions (2021-2040)
- 10-Year National Digital Economy Development Strategies (2021-2030)
- 5-Year National Digital Economy Development Plans (2021-2025)
- Law on Telecommunication
- Electronic Transactions Law
- Law on Cyber Crime
- ICT Law
- Law on Electronic Signature
- Telecom Transmission System Decree
- National Digital Transformation
- Digital Economy
- Revise Electronic Transactions Law
- MoU with overseas institute to establish AI labs
- Digital Government Master Plan (Drafting)*
- Digital Health Strategy (Drafting)*
- ICT Strategy of Land Management (Drafting)*

PHILIPPINES

- National AI Strategy (2021)
- AI R&D Framework for 2019-2029

SINGAPORE

- Job Redesign Guide
- AI Governance Framework
- National AI Project
- AI National Strategy of Singapore
- AI Verify (toolkit)
- Advisory Council on the Ethical Use of AI and Data

THAILAND

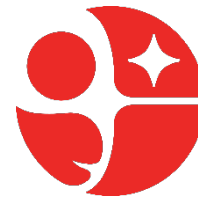

- Digital Thailand: AI Ethics Guideline
- Thailand National AI Strategy and Action Plan (2022 – 2027) (in progress)*
- Bangkok Statement on The Ethics of Science and Technology and Sustainable Development
- The National Ethics Committee of Science and Technology

VIETNAM

- National Strategy for Research, Development and Application of AI until 2030
- National Digital Transformation Programme by 2025, orientation to 2030 (2020-2025)

ASEAN COSTI

Artificial Intelligence Related Initiatives

ONGOING INITIATIVES

- ASEAN AI Workshop and Call for Papers
- ASEAN High Performance Computing School
- ASEAN Shared Guideline on Safe Use of AI Tool

NEWLY PROPOSED INITIATIVES

- ASEAN AI Ecosystem Mapping
- ASEAN-ROK Digital School
- AI Startup Competition
- ASEAN Center for AI Excellence

**ASEAN
COSTI**

PRIORITY SECTOR

INDONESIA

- Health
- Public Services
- Education
- Food Security
